September 2023 – September 2026

Audiovisual Techniques, Sound Engineering Specialization — Graduated: September 2026

Ami Said Institute, Ghardaia

June 2023

Baccalaureate, Good Grade

Elite Leadership Preparation Program

July 2026

Graduate — leadership training and development program.

CERTIFICATIONS & TRAINING

Multiple training courses and certificates in: Marketing & Sales, Media, Management & Administration, E-commerce, and Education.

SELECTED PROJECT

Design and Optimization of a Sound Reinforcement System for an Auditorium – Dar Al-Qur'an, Ghardaia

Conducted an acoustic assessment and EASE 5 / EASE Focus 3 simulations to evaluate coverage, sound pressure level, reverberation time and speech intelligibility, then proposed sound-system and acoustic-treatment improvements under the auditorium's architectural constraints.

LEADERSHIP & MEDIA ENGAGEMENT

- Head of the Cinecraft (film) Club at the Institute.
- Head of the Mozabite University Students' Office in Algiers.
- Member of the Algerian Muslim Scouts for eight years.
- Supervised activities and clubs at Al-Rashad Qur'anic School in Cheraga; coordinated a youth club for a two-year term.
- Provided voice-over narration for several report-style media productions.

CORE SKILLS

Audio: Sound reinforcement • Audio recording, editing and mixing • Cubase • Adobe Audition
