

GUELLIL AMINE

Front-End Developer · Computer Science Student

+213 782 031 724 | guellilamine06@gmail.com | github.com/NanamiGu | [LinkedIn](#) | Algeria

PROFESSIONAL SUMMARY

Motivated Front-End Developer and Computer Science student (Year 2) at the Higher Institute of Science (HIS), Algiers, with hands-on experience building responsive web applications for real clients using HTML, CSS, JavaScript, React, and TypeScript. Currently completing a Full-Stack Web Development bootcamp at GoMyCode. Seeking an internship or junior developer role to contribute and grow within a professional environment.

EDUCATION

Bachelor of Science in Computer Science — Year 2 (L2, LMD System)

Sep 2024 — Present

Higher Institute of Science (HIS) · Algiers, Algeria

- Full Academic Scholarship — awarded on merit
- Year 1 Annual GPA: 14.62/20 (≈73.1%) — promoted to L2
- Year 1 key courses: Programming & Data Structures, Computer Architecture, Algebra 2, Analysis 2, Physics

Full-Stack Web Development Bootcamp

2024 — Present

GoMyCode · Algiers, Algeria

- Intensive training in modern web technologies: HTML, CSS, JavaScript, React, Node.js

Baccalaureate — Scientific Stream

2024

Algeria

- Graduated with distinction — Final score: 15.06/20 (≈75.3%)

PROJECTS

Le QG Steak House — Restaurant Website

HTML · CSS · JavaScript · Tailwind CSS · SheetDB API

- Designed and developed a full restaurant website featuring glassmorphism UI, full-screen video hero section, and smooth scroll-triggered animations using Intersection Observer API
- Integrated SheetDB API to dynamically render menu items fetched from Google Sheets, with localStorage caching (1-hour expiry) to optimize performance
- Implemented XSS protection and input sanitization to ensure secure data handling
- Deployed on GitHub Pages / Vercel for live production access

Wijha — Algerian Professional Network (Startup)

React · TypeScript · Node.js

- Contributing as Front-End Developer to an early-stage startup building an Algerian LinkedIn-style professional platform, comparable to Emploitic
- Developing reusable React components and improving UI/UX of the client-side application
- Collaborating within a multi-developer team using Git version control and pull request workflows

Restaurant Landing Pages (×3 Client Projects)

HTML · CSS · JavaScript

- Delivered multiple responsive restaurant landing pages for real clients, focusing on visual design, mobile compatibility, and fast load times
- Applied modern CSS techniques including Flexbox, Grid, and custom animations

EXPERIENCE

Library Assistant (Part-Time)

Sep 2024 — Present

Higher Institute of Science (HIS) · Algiers, Algeria

- Managed library operations every Saturday and Sunday (17:00–20:00) while maintaining full academic workload
- Demonstrated strong organizational skills, reliability, and time management across competing responsibilities

Procurement Department Intern

2024 – 2025

Higher Institute of Science (HIS) · Algiers, Algeria

- Assisted the university's purchasing department with administrative tasks and document management
- Gained exposure to institutional operations and professional workplace environment

Summer Camp Volunteer

Summer 2023 / 2024

Youth Camp · Algeria

- Supervised and mentored youth participants in a structured summer camp program
- Demonstrated leadership, communication, and teamwork in a dynamic group environment

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript (basic)

Frameworks: React.js (beginner), Next.js (basic), Tailwind CSS

Tools & APIs: Git, GitHub, VS Code, SheetDB API, Google Apps Script

Concepts: Responsive Design, REST APIs, localStorage, XSS Protection, Intersection Observer API

Currently Learning: Node.js, React (advanced), Full-Stack Development

SOFT SKILLS

Problem Solving · Attention to Detail · Fast Learner · Adaptability · Teamwork & Collaboration · Time Management · Client Communication · Self-Motivated

LANGUAGES

Arabic — Native English — B1 (Intermediate) French — A1 (Beginner)
