

HALLIS ABDENNOUR

+213698205766 | abdennour.hallis@gmail.com | 21000, Skikda, Algérie

Chemical Engineering graduate (M.Sc.) with a strong interest in industrial applications and hands-on technical problem-solving. Internship experience at Sonatrach, providing direct exposure to real production environments and the practical application of academic knowledge. Solid technical foundation in unit operations, thermodynamics, mass transfer, heat exchangers, and process control, complemented by PFD/P&ID reading and proficiency in Aspen HYSYS, DWSIM, and MATLAB simulation tools. Conscientious, analytical, and trilingual, with the flexibility to integrate quickly into a team. Open to opportunities in Oil & Gas, process design, chemical manufacturing, plant operations, or related fields.

EDUCATION

M.Sc. in Chemical Engineering | University of 20 august 1955 Skikda
September 2024 – June 2026

- Master's thesis on the synthesis of graphene oxide from recovered carbon black derived from waste tires.

B.Sc. in Process Engineering | University of 20 august 1955 Skikda
September 2021 – June 2024

- Research project on refining process optimization to improve gasoline quality in Algeria.

EXPERIENCE

Master's Thesis Internship | Research Laboratory, University of 20 August 1955 Skikda
May 2026 – June 2026

- Synthesized graphene oxide from recovered carbon black derived from waste tires; adapted the protocol to laboratory constraints.
- Developed an original endpoint-detection method for opaque suspensions.

Practical Internship | RA1K Refinery, Sonatrach, Atmospheric Distillation Unit | Skikda
December 2023 – January 2024

- Monitored the distillation process from the control room.
- Inspected on-site equipment and materials.
- Simulated the process using Aspen HYSYS.
- Verified the quality of a crude oil sample.

SKILLS

TECHNICAL SKILLS

- Aspen HYSYS
- MATLAB
- PFD/P&ID reading
- DWSIM
- HAZOP
- MS Office

INTERPERSONAL SKILLS

- Communication
- Flexibility
- Creativity
- Adaptability

LANGUAGE SKILLS

- Arabic : (Native)
- English : C1
- French : B1
